# ASHWAMEDHA

.....THE BATTLE FOR EXCELLENCE

*“The mightier than the mightiest ”.....The Conqueror*

*It is said that “He who conquers others is strong but the one who conquers himself is mighty”. The theme of the Zest suggests some of these meanings.*

*Ashwamedha is a religious rite performed in the ancient ages to establish & celebrate their supremacy over the world, in this ceremony a horse is left to wander over the earth, wherever the horse goes unchallenged the covered land would belong to the king as described in the Vedic writing especially “Shatapatha Brahmana”.*

*The ceremony may be ancient but the meaning remains same. Our nation has set on the stage for Ashwamedha. We are on quest to conquer every nook & corner of the world through our intellect and skills ,be it science & technology or Engineering. Programs like Mars orbital mission, Tejas aircraft, CEO's of various MNC's like Google, Microsoft, success of ISRO has contributed to this yagna. As students we have to keep this fire alive and make sure that the horse never gets challenged.*

**“EXCELLENCE IS NOT A SKILL, IT'S AN ATTITUDE”**
