Our Inspiration

Late Shri Ram Murti Ji

The SRMS Trust was established in the memory of Late Shri Ram Murti Ji, veteran freedom fighter, a true Gandhian, Ex-Parliamentarian and Ex-Minister, U.P. Govt.

He visited several countries including USA, Japan, England and Taiwan on Agricultural missions and contributed largely towards promotion of Green Revolution in India.

Ram Murti Ji declined to accept the pension offered to the freedom fighters, since he was of the conviction that whatever he did for the motherland was out of patriotism and not for material gains. In pursuance of the same patriotic spirit he also donated 30 acres of agricultural land in the Bhoodan Movement.

कांक्षन्तः कर्मणां सिद्धिम् यजन्त इह देवताः ।
क्षिप्रं हि मानुषे लोके सिद्धिर्भवति कर्मजा ॥

MISSION

- ✗ To impart academic excellence in Technical Education.
- ✗ To inculcate high Moral, Ethical and Professional standards among our students and to improve overall personality.
- ✗ To evolve the Institution to the status of a Deemed University.
- ✗ To strive incessantly to achieve the goals of the Institution.
- ✗ Our assets - Our Students.
- ✗ Our means - Our College Staff.

VISION

- ✗ To help build India as a world leader in Technical Education
- ✗ To establish and develop world class Institutions for overall growth in an era of globalisation
- ✗ To facilitate easy access to technical education to all sections of society
- ✗ To develop and provide a professionally qualified technical workforce for augmenting the nation's human resources

VALUES

- ✗ Integrity   ✗ Excellence   ✗ Fairness   ✗ Innovativeness

QUALITY POLICY

- ✗ To make the college a centre of excellence in technical and professional education.
- ✗ To carry-out research, consultancy and training for meeting the needs of society at large.
- ✗ To plan, act and check with high degree of social sensitivity through defined procedure.

CONTENTS

I WELCOME YOU TO JOIN SRMS

Your decision to structure your career in Engg. / Pharmacy / Computer Application / Management at SRMS Institutions is highly commendable and I, on behalf of SRMS Trust family extend a very warm welcome to you all. We have already spelt down our Vision, Mission and Values and sincere efforts are made to utilize the infrastructure facilities and intellectual capital to achieve these goals and values. Students at SRMS Institutions are always motivated to participate and indulge in technical, cultural and sports activities along with academic pursuits just to make them stay abreast with global image of a complete human being.

We are conscious of the very changing needs of the society. Therefore we impart education and train the students beyond the prescribed syllabus to make them more than Engineers/Managers/Technocrats. It is the matter of pride to convey that our students have won laurels at national and international levels in paper presentation and in getting final placements too.

I wish to congratulate you for selecting and seeking a place as a student in these Trust Institutions. We have provided adequate infrastructural facilities for your learning and training so that you are not only properly trained but also well-prepared to shoulder the responsibilities as a good citizen of the country.

Accept personal responsibility for your own growth; no one can do it for you. What you do today will determine your tomorrow, Recollect what Swami Vivekanand has opined *"You have to grow from the inside out; No one can teach you, no one can make you spiritual. There is no other teacher but your own soul"*.

'Work and live as a family unit' is the philosophy of SRMS Institutions and I hope that your stay with us will be very comfortable, fruitful and memorable.

Dev Murti
Founder & Chairman
SRMS Trust

SHRI RAM MURTI SMARAK TRUST
A GLORIOUS JOURNEY OF 31 YEARS

SRMS TRUST : A SOCIAL ENDEAVOR

Journey through thirty one years marks a sense of achievement for SRMS Trust, a public charitable trust, founded in year 1990 by Shri Dev Murti to cherish and commemorate the principles, ideas and thoughts of his father veteran freedom fighter, true Gandhian, Ex-parliamentarian and Ex-minister U.P. Late Shri Ram Murti Ji. The trust was started with an aim to serve humanity through educational empowerment and promotion of social values.

The trust has earned considerable appreciation and applause for its dedicated work for promotion of education, research and healthcare to masses apart from a wide spectrum of social services.

> " The fruit of love is service, which is compassion in action. "

(All above branches)	

BACHELOR OF TECHNOLOGY

| Approved by AICTE, New Delhi | Affiliated to Dr. A.P.J.A.K. Technical University, Lucknow |

Goal of the Programme

B.Tech. Programme has been designed taking into view the needs of various industries. The programme is regularly updated to cope with the ever-changing technologies and demands of the industry.

Our goal is to provide the required platform to budding engineers and technocrats to sharpen their reasoning, analytical and communication skills along with required technical knowledge so that they may meet the future challenges of growing technology with confidence. Emphasis is laid on enhancing computer and soft skills of students of all branches.

ADMISSION PROCEDURE

B.Tech - 1st Year

Admissions are as per the following :

- 85% seats of total intake of all branches are allotted according to the merit list of UPSEE / JEE-Mains as per State Government directives through online counseling.

- 15% seats of total intake & Vacant/Lapsed seats in all branches are allocated on the basis of merit of 10+2 marks in PCM & brief objective assessment.

B.Tech (2nd Year Lateral Entry)

Candidates who have passed Diploma of 3 years (with minimum 60% marks) recognised by UP Board of Technical Education in any branch of Engineering/Technology except Agriculture Engg. or B.Sc. (PCM) with 60% marks are eligible for admission to second year. In this case applicant must have appeared in UPSEE.

DURATION

4 Years Full Time

INTEGRITY OF THE SYSTEM

All admissions are done maintaining transparency at every level.

Admission against management quota is done through advertisement and the list of applicant with their merit is displayed on college notice board.

ELIGIBILITY

1st Year Admission :

I Candidate must have passed 10+2 or equivalent (with 60% aggregate marks in P.C.M.) from a recognised board.

ii Must have a valid rank in UPSEE/JEE-Mains.

iii Admission under management quota will be made on the basis of merit of 10+2 marks in PCM without any grace marks in any of the subjects.

Lateral Entry (2st Year) :

60% in Diploma/B.Sc. (PCM).

Fee Structure

Fee structure is available on college website. Fee to be paid by Demand Draft drawn in favour of "SRMSCET" payable at Bareilly for SRMCET Bareilly Campus, "SRMSCET" payable at Lucknow for SRMSCET Lucknow campus and "SRMSCETR" payable at Bareilly for SRMSCET&R, Bareilly.

CURRICULUM & LABORATORIES

The curriculum prescribed by Dr. A.P.J. Abdul Kalam Technical University, Lucknow will be followed by the college which is available on the website of the University.

SPECIALIZED LABORATORIES

COMPUTER SCIENCE ENGINEERING

- Computer Programming Lab
- Discrete Structure & Theory Logic Lab
- Computer Organization Lab
- Web Technology Lab
- Computer Architecture Lab

DEPARTMENT OF BASIC SCIENCE

- Chemistry Lab
- Physics Lab
- Language Lab

MASTER OF TECHNOLOGY

Approved by AICTE, New Delhi and Affiliated to Dr. A.P.J.A.K. Technical University, Lucknow

Goal of the Programme

The uniqueness of the M.Tech. Programme lies in the fact that, though the knowledge of technology development in the students is a major focus, a lot of emphasis is laid on developing their technical skills as well as managerial skills. The one year thesis that the students do during the final year forms an important part of the curriculum. It includes work on the live industry projects, application development or research in various areas of Computer Science & Engineering, Computer Aided Design & Manufacturing (CAD&M), Electronics & Communication Engineering & Electrical Engineering. Armed with such profound and exhaustive knowledge of the latest technologies, the students are a step ahead of others.

ADMISSION CRITERION

Ensuring quality higher education is one of the most important things we can do for future generations.

Following specialized programmes in M.Tech. are offered by the college

- **Computer Aided Design & Manufacturing (CAD&M)**
- **Computer Science & Engineering**
- **Electrical Engineering**
- **Electronics & Communication Engineering**

ADMISSION PROCEDURE

M.Tech - Ist Year

Admissions are as per following :

- 100% seats of all branches are allotted as per State Government / AICTE directives through Dr. A.P.J. Abdul Kalam Technical University Lucknow.
- Vacant seats and left over seats in all branches are allocated on the basis of merit along with personal interview.

ELIGIBILITY

I   The candidate must possess B.Tech degree in relevant branch and must have qualified GATE/ENTRANCE TEST (FATE) conducted by Dr. A.P.J. Abdul Kalam Technical University, Lucknow.

ii   The candidate having valid score card of GATE is exempted from Entrance Test conducted by Dr. A.P.J. Abdul Kalam Technical University, Lucknow.

FEE STRUCTURE

Fee structure is available on college website . Fee is to be paid by Demand Draft drawn in favour of "SRMSCET" payable at Bareilly.

MISSION

Safe, effective, responsible pharmacist practice. SRMSCET, Pharmacy also emphasizes to produce esteem technocrats to crater the needs of upcoming pharmaceutical industry.

VISION

Our mission is to foster pharmacy profession by upgrading students with the knowledge, skills and technology for upliftment of public healthcare and providing a platform for innovative learning with inter-professional collaborations with pharmaceutical industries.

BACHELOR OF PHARMACY

Approved by Pharmacy Council of India   Affiliated to Dr. A.P.J.A.K. Technical University, Lucknow

Goal of the Programme

The goal of the programme is to provide adequate depth of understanding the Pharmacy principles and also to develop presentation and communication skills, which give confidence in overall managerial abilities with pharmacy skills of future pharma professionals.

The programme also aims at serving the social needs of public, private, corporate, non-corporate and other sectors of the Indian Economy by preparing students for jobs in any field of Pharmacy profession.

BACHELOR OF PHARMACY

| **Approved by Pharmacy Council of India** | Affiliated to Dr. A.P.J.A.K. Technical University, Lucknow |

Admission Procedure

B.Pharm - 1st Year

Admissions are as per the following :

- 85% seats of total intake are allotted according to the merit list of UPSEE through online counseling.

- 15% seats of total intake & Vacant /Lapsed seats are allocated on the basis of merit of 10+2 marks in PCM & PCB and aptitude test/interview carried out by the college /rank in UPSEE.

B.Pharm - 2nd Year

Candidates who have passed Diploma in Pharmacy (with minimum 60% marks) recognised by the Board of Technical Education are eligible for admission to Second Year B. Pharm.

Fee Structure

Fee structure is available on college website. Fees is to be paid by Demand Draft drawn in favour of "SRMSCET" payable at Bareilly.

DURATION

4 Years Full Time

INTEGRITY OF THE SYSTEM

All admissions are done by maintaining transparency at every level.

The admission against management quota is done through advertisement and the list of applicants and their merit is displayed on Notice Board in the college after the screening. Fee charged for both categories of seats is same and as per U.P. Govt. directives.

ELIGIBILITY

1st Year Admission :
Passed in the final examination of 10+2 standard or equivalent (with 60% marks in PCM/ Biology/ Bio-Tech.) from a recognised Board.

2nd Year Admission :
Diploma in Pharmacy with 60% aggregate.

Curriculum & Laboratories

The curriculum prescribed by Dr. A.P.J. Abdul Kalam Technical University/PCI, Lucknow is followed by the college which is available on the website of the University.

Specialized Laboratories

In the Bachelor of Pharmacy course the college imparts effective practical training to the students in well-equipped laboratories. Students are also given on-the-job-training. For this purpose the college has the following laboratories for the students:

- Pharmaceutical Chemistry (Inorganic & Organic) Lab.
- Pharmaceutical Analysis Lab
- Medicinal Chemistry & Bio-Chem Lab.
- Physical Pharmacy & Physical Chemistry Lab.
- Pharmaceutics Lab.
- Dispensing & Cosmeticology Lab
- Remedial Bio., Human Anatomy, Physiology & Pathophyeiology Lab
- Research and Instrument Lab.
- Pharmacognosy Lab.
- Microbiology/Bio-Tech Lab.
- Pharmaceutical Engineering Lab.
- Machine Room.
- Pharmacology Lab.
- PG Research Lab I & II
- Project Lab

Animal House :

College has a well equipped animal house, as per norms of CPCSEA, Ministry of Social Justice & Empowerment, Govt. of India.

Herbal Garden :

Herbal garden having adequate number of medicinal plants is maintained. Medicinal plants are used for practical/ demonstration to the students. Various medicinal plants and their parts are used as medicines.

Drug Formulation :

With the objective of inculcating a habit of research and innovation, the faculty of Pharmacy is engaged in the production of certain pharmaceutical dosage form, such as ointments, capsules, tablets etc. on a small scale for practical knowledge of students.

Pharmacist Day :

Pharmacist day is celebrated on 25th September of every year. All the students make their oral and poster presentations. Best pharmacist prize is awarded to a student from final year batch.

Hospital Training :

Trust has its own medical college & Hospital. All B. Pharm students get 45 days hospital training which makes them understand First aid (Wound Dressing, Artificial Respiration) various routes of Injections, Prescription, Dispensing & Simple diagnostic reports.

Industrial Training :

All students under goes minimum 30 days of industrial training for which training development & placement cell help them to get and grab good opportunities.

Conference & Faculty Development Program :

Upgradation of knowledge is a continuous process therefore conferences & Faculty Development Programs are being organized every year for upgradation of knowledge of faculty & students .

MASTER OF PHARMACY

Approved by Pharmacy Council of India	Affiliated to Dr. A.P.J.A.K. Technical University, Lucknow

Goal of the Programme

Increased industrialization in Uttar Pradesh, Uttarakhand and adjoining states has increased the demand for qualified and trained personnel across the nation. In view of this, our goal of the M. Pharm Programme is to contribute and fulfill the national need of specialized trained pharmaceutical manpower through prescribed teaching and training programme. Through this programme of post graduate in pharmacy the students will be educated, trained and inculcated to take research & development responsibilities of the country in large and of the world as whole.

Specialization offered:
- **Pharmaceutics**

Pharmaceutics:
The programme provides the professionals with sufficient knowledge and skills to understand the concept and design of various pharmaceutical dosage forms. The professionals also cultivate ability to develop and evaluate various novel drug delivery systems to fulfill the challenging diseases and patient's needs.

Research Facilities & Consultancy Services:
Air conditioned research laboratory equiped with instruments like : FT-IR, HPLC (High performance liquid chromatography), UV visible spectrophotometer (double beam), UV visible spectrophotometer (single beam), Brook Field Viscometer, Brook Field Rheometer, Cold centrifuge, Ultra sonicator, High Speed Vacuum homogenizer and Environmental Chamber, Automatic Multistation Tablet Compression Machine, Six Station Dissolution Rate Test Apparatus c etc.

ADMISSION PROCEDURE

Admissions are as per the following :

- 100% seats are allotted as per State Government / AICTE / PCI directives through Dr. A.P.J. Abdul Kalam Technical University counseling.

- Vacant seats and left over seats are allocated on the basis of merit of GPAT/FATE along with personal interview.

ELIGIBILITY

i   The candidate must have B.Pharm degree with minimum of 65% marks from an institutions approved by Pharmacy Council of India.

ii   The candidate must have qualified GPAT/ Dr. A.P.J. Abdul Kalam Technical University PG Admission Test (FATE).

iii The candidate who has valid score card of GPAT is exempted from entrance test conducted by Dr. A.P.J. Abdul Kalam Technical University, Lucknow.

FACULTY OF MANAGEMENT SCIENCE

Faculty of Management Science has been offering its prestigious management programme since 1996. MBA & MCA programs from this college are is known for its quality and perfection and ranked one of the best among all colleges of affiliating university. It is highly recognized by industries for its practical orientations. The alumni of these courses from this college are working at leading positions in the companies of repute.

The faculty has experienced and qualified faculty members in all functional areas of management and Computer Application which are instrumental in providing the best and world class knowledge to the students training in emerging trends in technology Besides teaching, they are also contributing significantly for the personality development of students, teaching case preparation, publications of research papers & consultancy.

MASTER OF BUSINESS ADMINISTRATION

Approved by AICTE, New Delhi | Affiliated to Dr. A.P.J.A.K. Technical University, Lucknow

Goal of the Programme

MBA Progamme has been meticulously designed to balance theoretical knowledge with practical experience, providing MBA Students with problem solving skills applicable to their work and beneficial to the development of their professional career. The quintessence of our philosophy is promoting the habit of self learning, inculcating the feeling of teamwork, developing the ability to translate the concepts into practical applications along with strengthening and building their value system with Indian ethos. Our goal is to develop the conceptual and professional skills in our students through a teaching methodology based on lectures, case studies, seminars, group discussions, assignments, quizzes etc. Management aptitude is developed in students through management games, dissertation writing, case study, news analysis, field works, projects and inter-personal skills. Management students go for summer training where they understand the working of an organization and some of them get pre-placement offers. The team learning habits are encouraged through the management club and project teams. Involvement of students in team based learning is promoted through entrepreneurial projects, economic policy study, business case and news analysis.

ABOUT MBA

Specializations:

The specializations for MBA course are offered as per university curriculum in Human Resource Management, Marketing Management, Financial Management, International Business, Information Technology and Operation Management. Besides these the college also provides training to the management students for getting certification in Banking, Retail, Insurance and Risks Management, Project management, Certified Financial Planning and various modules of National Stock Exchange Certification on Financial Markets. It helps them tp be well equipped with required skills and qualifications for placement.

Admission Criteria

DURATION : 2 Years (Four Semesters) Full Time

Admission Procedure

15% seats are filled on the basis of management quota admission procedure directly by the college as per the guidelines of affiliating university. 85% seats are allotted according to the merit of State Entrance Examination (SEE) of UP State through counseling as per the directives of AICTE, state government and affiliating university.

ELIGIBILITY

Three years graduation degree in BCA/BBA/B.Sc./B.Com./B.A. or 4 yrs. B.Tech./B.Pharm with minimum 55% marks from a recognised university. Preference will be given to the candidates qualified in CAT/MAT/CMAT/ ATMA/SEE as per university rules.

FEE STRUCTURE

Fee structure is available on college website. Fee is to be paid by Demand Draft drawn in favour of "SRMSCET", payable at Bareilly.

INTEGRITY OF THE SYSTEM

All admissions are done by maintaining transparency at every level. Admissions against management seats are done through advertisement and the list of applicants and their merit is displayed on the notice board of the college after screening.

Pedagogy

A scientific pedagogy for teaching and learning is followed by the college for management students. It consists a blend of teaching and training modules. The syllabus of each subject is elaborated in form of lesson plan by adding extra relevant and latest topics. During various semesters students are subjected for case based teaching and assignments. Besides these they have to participate in seminar presentation, field work and surveys, research article review, industry analysis and company profile presentations.

Leadership development: Personality grooming and business acumen developments are considered as major parts of management education. A well designed module for personality and leadership development for complete duration of study is used for this purpose. It focuses on communication, english speaking & decision making. It helps the students to realize their potential and get a competitive edge for success in business world.

Industrial Tour: Visits of industrial units are the integral part of management curriculum of this institute. Students in each semester visit various industrial manufacturing units. In second year one week industrial tour is organized for Mumbai which is considered as financial capital of India. During this tour the students have interaction sessions at Securities and Exchange Board of India, National Stock Exchange, JN Port etc.

Research Centers for a Comprehensive Management Education : In order to provide a comprehensive and complete management education, various research centers have been conceptualized and functional in this department. These are as follow :

- Centre for Innovation and Entrepreneurship Development
- Centre for Case Development
- Centre for the Study of Economic Policy
- Centre for Management Development

WORKSHOPS
EXPERIMENTAL LEARNING
CASE STUDY METHOD
PARTICITATIVE LEARNING
TEACHING PEDAGOGY
ROLE PLAY
INDUSTRIAL VISITS
SUMMER INTERNSHIP
GUEST LECTURES

Specialized labs and practical training for management students

•The faculty of management science is equipped with state-of-the-art infrastructure and computer lab with internet connectivity on high speed bandwidth. Various software are available in this lab where management students can get practical experience during their study. Various training related modules which are available for management students are as follow:

• Financial Modeling

• Human Behaviour Dynamics

• Business Simulation

In order to develop a habit of team work various students clubs are functional in department. These clubs are under management club which is headed by students' office bearers as President, Vice President and Secretary. These clubs are

1.	Marketing Club	2.	Finance Club
3.	HR Club	4.	Cultural Club
5.	Strategy Club	6.	Values and Ethics Club
7.	Entrepreneurship Club		

Publications

In order to create a congenial academic environment Faculty of Management Science of this college started publication of management journal and news letter to provide a platform for sharing knowledge and research. A half yearly management journal "BIZCRAFT" (ISSN: 2231-0231, RNI No: UPEGN/2007/19207) and a newsletter "Enterpriser" is published by the department.

MASTER OF COMPUTER APPLICATION

Approved by AICTE, New Delhi	Affiliated to Dr. A.P.J.A.K. Technical University, Lucknow

Goal of the Programme

Master of Computer Application (MCA) is a three year/two year (Lateral Entry) programme divided into five semesters of core teaching at the college level and the last semester has been dedicated for live project work to be undertaken at a firm engaged in software development, so as to enable the students to be aware of the latest technology in the related/specific field of his/her interest. Our MCA Programme aims at serving the social needs of public, private, corporate, non-corporate and other sectors of Indian economy by enhancing the software development skills & technology management.

The college emphasizes conceptual teaching along with orientation towards live projects involving software development so as to afford an excellent exposure to the students. Special emphasis is being laid on System Programming Projects using C and C++. Apart from core studies like, Operating System, RDBMS Concepts, Computer Networks, Computer Architecture and Compiler Construction, etc., the students are also exposed to software development using Visual C++, JAVA, .NET, Oracle 9.0, Visual Basic, Developer 2000 and the latest internet Technologies including HTML/DHTML, XML, JAVASCRIPT, VBSCRIPT, COM/DCOM etc.

ADMISSION CRITERION

ADMISSION PROCEDURE

Admissions are as per the following:

MCA – Ist Year

- 85% seats of total intake are allotted according to the merit list of UPSEE as per state government directives through AKTU counseling.

- 15% & vacant/lapsed seats are allocated on the basis of merit of marks at graduation level / rank in UPSEE.

DURATION

3 Years / 2 Years Full Time

MCA – IInd Year (Lateral Entry)

Candidates who have passed their Recognized Bachelor's Degree of minimum 3 years duration in BCA, B. Sc (IT/Computer Science) with Mathematics as a subject at 10+2 level or at Graduate Level are eligible for admission to Second Year. Applicant must have appeared in UPSEE.

FEE STRUCTURE

Fee structure is available on college website. Fee is to be paid by Demand Draft drawn in favour of "SRMSCET", payable at Bareilly.

INTEGRITY OF THE SYSTEM

All admissions are taken maintaining transparency at every level.

The admission against management quota is taken through advertisement and the list of applicants and their merit is displayed on Notice Board in the college after screening. Fee charged for both categories of seats is as per U.P. Govt. directives.

ELIGIBILITY

1st year admissions :
Graduation degree with 55% marks or Postgraduate in any subject from a recognised university with Mathematics as a subject at 10+2 level.

2nd year admissions :
55% in BCA/B.Sc. (CS)/B.Sc. (IT) with Mathematics as a subject at 10+2 level.

Specialized Laboratories

The college provides students with state-of-the-art infrastructure. The computer labs have the latest configurations and are supported by equally high quality softwares. There are four labs in the Department of MCA :

LAB -A

Computer Systems -30 No.

Intel Core i3 3.30GHz, 500 GB HDD, 4 GB RAM, 17" TFT Monitor.

Software

Microsoft Visual Studio Dot Net 2005, MS Office 2007, MS SQL Server 2000 & 2005, MS Visual Studio 6.0, Oracle 9i, JAVA, C, C++, Adobe Photoshop 7.0, Macromedia (Max Studio), Adobe Reader 7.0, Orell Language Software, Microsoft Internet Explorer 6.0, Crystal Report Tools, MS Windows XP, Symantec, Web Logic, Tomcat, Rational Rose, Mozilla Firefox, Google Chrome

LAB -B

Computer Systems -30 No.

Intel Core i3 3.30GHz, 500 GB HDD, 4 GB RAM, 17" TFT Monitor.

Software

Microsoft Internet Explorer 6.0, Microsoft Office 2007,

Oracle 9i, MS Visual Studio 6.0, SQL Server 2000, C, C++, JAVA, Microsoft Visual Studio2005, Adobe Reader 7.0, Symantec Endpoint Security, MS Windows XP.

LAB - C

It is a Hardware Lab used for value addition. It consists of various components of Computer System and peripherals devices and help the students to know how about the intricacies of a computer setup.

LAB - D

Computer System -30

Core 2-Duo, 2.94 Ghz, 2 GB RAM, 250 GB HDD, TFT Monitor

Software

Microsoft Internet Explorer 6.0, Microsoft Office 2007, Oracle 9i, MS Visual Studio 6.0, SQL Server 2000, C, C++, JAVA, Microsoft Visual Studio 2005, Adobe Reader 7.0, Symantec Endpoint Security, MS Windows XP.

APPRECIATION & RECOGNITION OF MERIT

HONOUR TO INTELLECTUALS

₹ 3.5 CRORE
WORTH OF MERIT
SCHOLARSHIPS

AWARDS & SCHOLARSHIPS

Shri Ram Murti Smarak Trust recognizes all the meritorious students every year on the basis of their annual result of the University. For this the Trust has earmarked ₹ 3.5 CRORES to be distributed to the meritorious students of the Trust Institutions every year.

Merit must be recognized and duly honoured. This creates a healthy competition among the students, acts as a fountain head of encouragement and becomes a shining example for others to follow. SRMS Trust has been fortunate in receiving excellent support from the Trustees and well-wishers, who have come forward and instituted various medals and other awards to encourage our students.

COLLEGE HAS LAID DOWN THE FOLLOWING CRITERIA FOR THE MERIT SCHOLARSHIP :

1. Students securing 86% or more marks in Dr. A.P.J.A.K.T.U. Examination — Rs. Equivalent to the % of marks secured (Minimum Rs. 86,000/-)

2. Students securing 85% or more marks but below 86% in Dr. A.P.J.A.K.T.U. Examination — Rs. 35,000/-

3. Students securing 80% or more but below 85% in Dr. A.P.J.A.K.T.U. Examination — Rs. 30,000/-

4. Students securing 75% or more but below 80% in Dr. A.P.J.A.K.T.U. Examination — Rs. 20,000/-

MEDALS

B.Tech

✦ Shri Ram Murti Gold Medal for the highest scoring final year out-going B.Tech. student of the college.

✦ Shri Ram Murti Silver Medal for the second highest scoring final year out-going B.Tech. student of the college.

✦ Shri Ram Murti Bronze Medal for the third highest scoring final year out-going B.Tech. student of the college.

✦ Prem Prakash Gupta Charitable Foundation Gold Medal for the best B.Tech. all-rounder of the final year batch of the college.

✦ Er. Subhash Mehra Gold Medal for the highest scorer of B.Tech., Computer Science & Engineering, of the out-going batch.

✦ Dr. Usha Mehra Gold Medal for highest scorer of B.Tech., Electronics & Communication, of the out-going batch.

✦ Er. P.N. Gupta Gold Medal for the highest scorer of B.Tech., Electrical and Electronics, of the out-going batch.

✦ Dr. Asha Gupta Gold Medal for the highest scorer of B.Tech., Mechanical Engineering, of the out-going batch.

✦ Shri Laxmi Bhushan Varshney Gold Medal for the highest scorer of B.Tech., Information Technology, of the out-going batch.

✦ A special prize for the outstanding under graduate student every year in overall sports activities.

CASH PRIZES

✦ A cash prize of Rs. 51,000/- is awarded to the student securing first position in the passing out batch of B.Tech subject to the condition that the student has secured more than 80% marks.

✦ A cash prize of Rs. 21,000/- is awarded to the student securing first position in the respective branch in the out-going batch of B.Tech. subject to the condition that the student has secured more than 75% marks and has not received cash prize of Rs. 51,000/- as mentioned for batch topper.

B.Pharm

SRMS Trust has been fortunate in receiving excellent support from the Trustees and well-wishers, who have come forward and instituted various medals and other awards to encourage our students. The medals, awards and cash prize instituted are as follows :-

✦ Shri Ram Murti Gold Medal for highest scoring final year out-going student of the Pharmacy course.

✦ Shri Ram Murti Silver Medal for the second highest scoring final year out-going student of the Pharmacy course.

✦ Shri Ram Murti Bronze Medal for the third highest scoring final year out-going student of the Pharmacy course.

✦ Shri Ram Murti Gold Medal for the best all-rounder of the college of out-going batch of the Pharmacy course.

✦ A cash prize of Rs. 21,000/- is awarded to the student securing first position in the passing out batch subject to the condition that the student has secured more than 75% Marks.

M.Tech

The Trust recognizes all the meritorious students every year on the basis of their annual result of the University for this the Trust has earmarked ₹ THREE CRORE to be distributed to the meritorious students of the Trust Institutions every year.

The medals and awards instituted are as follows:

✦ Shri Ram Murti Gold Medal for the highest scoring final year out-going M.Tech. student of the college.

✦ Shri Ram Murti Silver Medal for the second highest scoring final year out-going M.Tech. student of the college.

✦ **A cash prize of ₹ 21,000/-** is awarded to the student securing first position in the passing out batch subject to the condition that the student has secured more than 75% Marks.

P.G. Scholarship

Trust provides ₹6000 per month to all M. Tech. candidate in Ist year and ₹ 7000 per month in IInd year (10 month per year). GATE qualified candidates will get AICTE stipend i.e. ₹ 8000 per month from AICTE + ₹ 3000 and 3500 in I and II year respectively.

M.Pharm

SRMSCET has been fortunate in receiving excellent support from the Trustees and well-wishers, who have come forward and instituted various medals and other awards to encourage our students.

The medals and awards instituted are as follows:

✦ Shri Ram Murti Gold Medal for the highest scoring final year out-going M. Pharm student of the college.

✦ Shri Ram Murti Silver Medal for the second highest scoring final year out-going M. Pharm student of the college.

✦ A cash prize of Rs. 21,000/- is awarded to the student securing first position in the passing out batch subject to the condition that the student has secured more than 75% Marks.

P.G. Scholarship

Trust provides ₹ 6000 per month to all M. Pharm candidate in Ist year and ₹ 7000 per month in IInd year (10 month per year). GPAT qualified candidates will get AICTE stipend i.e. ₹ 12400 per month from AICTE + ₹ 3000 and ₹ 3500 in I year along with AICTE stipend in II Year respectively.

MBA

✦ A cash prize of Rs. 21,000/- is awarded to the student securing first position in the respective course in the out-going batch of MBA, subject to the condition that the student has secured more than 75% marks.

MCA

✦ A cash prize of Rs. 21,000/- is awarded to the student securing first position in the respective course in the out-going batch of MCA subject to the condition that the student has secured more than 75% marks.

> " Teachers are the backbone of any Country, the pillar upon which all aspirations are converted into realities.
>
> Dr. A.P.J. Abdul Kalam "

To this end, the **greatest asset** of an Institute is the personality of the **Teacher...**
*O*ur college is overwhelmingly rich with qualified faculty who are young experts in their respective fields. College is well-supported by experienced and outstanding teachers of repute. Our faculty is driven by the philosophy of knowing as which resources are to be blended and in what proportion to mould each student's individual capacities to the optimum level. We are fully aware that high quality teaching plays a key role in inculcating a stance towards life-long learning. We impress upon the faculty members to be a friend, philosopher, guide, counsellor and consultant of the students, besides the nurturing harmonious student-teacher classroom relationship. Moreover, they have been motivated to act as facilitators rather as disseminators and as such, they always upgrade their knowledge by learning through Seminars, Workshops, QIP programmes and research activities.

Teaching & Learning Process

College has achieved academic excellence by developing a work culture where faculty and students work together to evolve teaching learning processes.

- College has also created healthy linkages for the upliftment of the community (under privileged) in its neighbourhood to fulfill its social obligation.

- College emphasizes on Learnability, Trainability, Capacity to unlearn and relearn. Generalized understanding and problem solving skills.

- The courses are covered using following Methodology:
- Lectures & Tutorials

- Laboratory Experiments
- Assignments & Paper Presentation
- Group discussions & Seminars
- Team Room
- Case Study Analysis
- Invited Lectures
- Minor projects and major projects.
- Online Quiz
- Smart Classes

Extensive use of Audio-Visual Techniques like OHP, LCD Projectors & CDs.

Innovative Practices

- Various Multimedia aids viz. OHPs, LCD Projectors for Power Point Presentations, Audio-Visual CDs etc. are used to improve Teaching Learning Process.

- Industrial tours, Seminars and Expert Lectures are organized to enhance the practical/field knowledge of the students.

- Language lab has been established in the Institute to improve communication skills of the students.

- Computers are provided in the boys & girls hostels with internet facility.

- Mock Interviews, Aptitude and Reasoning Tests are arranged regularly.

Academic Planning & Monitoring

- The students are provided with Subject wise Hand Books subject wise giving the notes required and References to be studied.

- The student's performance is monitored regularly by conducting scheduled Sessional / class tests.

- Answer scripts are evaluated within a week and the students are shown their answer sheets.

- In selective cases Parents are informed.

- Additional classes / Tests are arranged as remedial measures for the needy students.

- Attendance is regularly monitored and students are informed through Notice Board and ERP.

Beyond the Curriculum :

- ❑ Value addition courses are organized to bridge the gap between the traditional syllabus and technological advancements.
- ❑ New experiments and equipments are added in the labs beyond the syllabus requirement.
- ❑ Students are encouraged to work on projects based on Industrial problems & requirements.
- ❑ Soft Skills, Seminars, Mini Projects and Additional Courses are arranged.

Examination System

- ❑ Internal & External examination system is followed as per University Guidelines.
- ❑ Three sessional tests (internal) are conducted during each semester.
- ❑ External Examinations (Theory and Practical) are held by the AKTU.
- ❑ Results are compiled and declared by the AKTU.

Personality Development

- ❑ Personality Development Classes are arranged right from Second Semester to groom the overall personality of the students and to make them industry ready and to face interviews.
- ❑ There is an English Language lab to improve the vocabulary and conversation skills.
- ❑ Two Logical Reasoning Tests are arranged regularly for II year & III year students.
- ❑ Students are motivated to undertake R&D activities and projects from II year.

- ❑ Free Internet facility is available through Wi-Fi and LAN to the students in the college as well as in hostels.

Counseling and Guidance Cell

- ❑ A full time counselor is available at the counseling cell. Assistance from an Expert Counselor (Outside) is also available.
- ❑ Staff and students contact the cell during college time and discuss their problems.

VALUE ADDITION
PROGRAMME
AN INITIATIVE TO BRIDGE INDUSTRY ACADEMIA GAP

Our students must acquire something more than what is provided in the curriculum. In order to develop communication skills, professional ethics To help students in learning the emerging trends in technology and professional education the college runs several value addition programs. Few of these programs are :

- **TCS Academic Interface:** The College is academic partner of TCS for its Academic Interface Programme. The aim of this programme is to produce industry ready students capable of handling challenges of IT industry. As part of this Programme, TCS conducts various activities with College like Student workshops, Faculty Development Programmes, Internships, Industrial visits, Best Student Awards, Best Student Project Awards, Sponsors technical events, Designs curriculum, and organizes Head of Departments meet etc.

- **Soft Skills :** Infosys under its campus connect initiative has "Soft Skills" Training Programme for the partnering colleges. College is also imparting soft skills training to the students of various courses under the framework prescribed by Infosys in its Campus Connect Program. The program consists of six modules:
    - i. The art of communication
    - ii. The hidden data of communication
    - iii. Team Building Communication
    - iv. Adapting to Corporate life
    - v. Discussions, Decisions and Presentations.
    - vi. Foundation course in banking in collaboration with ICICI Bank, management department offers online foundation course in banking.

- Leadership & Management Development Programme started by management department as a part of executive education. Various modules of this programme are designed for working executives at middle and lower level to develop managerial skills.

- **Centre of Excellence:** Internet of Things (IOT), Data Analytics, Cloud Computing

- **'C' Programming and 'C++' Programming Classes :** To improve the computer programming skills, two hrs. per week are scheduled for 1st year students. In this the Application Programming related to 'C' language is discussed.

- **Core Java Classes:** To improve the computer programming skills, two hrs. per week are scheduled for 2nd year and 3rd year students. In this curriculum the concept of Application programming, Applet programming, Basic graphics progamming are discussed.

- **Advance Java Classes :** To improve the computer programming skills, two hrs. per week are scheduled for 3rd year and final year students. In this the concept of swing, JDBC, RMI, CORBA, STRUTS, JSP and Servlets are discussed.

- **DOT NET Classes :** To improve the computer programming skills, two hrs. session per week is scheduled for final year students. In this stipulated time the concepts of VB.Net, C# and ASP.Net are discussed.

- **Automation lab :** Automation Lab is setup to make our
- students familiar with the latest technologies used by industries (like PLC, VFD, SCADA, etc.). Presently third year students of EN, EC & ME are being trained in the session of two hrs. per week.

- **E-Lab (Coding Hub) :** This is a unique online coding platform which enables the students to strength their coding skills as per industry standards. In the present industrial scenario it provides a cutting edge to the students.

- **Managerial Skills Development Programme:** College is also offering some management related modules, like Entrepreneurship Development module, Financial Management module, Costing Techniques module etc for the benefits of the students as a whole.

- **Other Value Added Courses:** College is also offering various other courses for the students for value addition.

Value Addition Programme

The Courses are as following:

1. Computer Aided Design / Computer Aided Manufacturing (Pro-E, Ansys)
2. Circuit Design
3. Micro Processors
4. I.C. Engines
5. Refrigeration
6. V.H.D.L.
7. Linux
8. Analysis Programming
9. MATLAB
10. PSPICE
11. PLC/SCADA
12. Database management using SQL, Oracle IIi etc.
13. Object Oriented Analysis and Design using UML with essentials of Rational Software Architect.
14. WebTechnologies Inducting PHP, J Query, Hibernate, Spring etc.
15. Cisco Certified Network Associate training
16. Data Analysis using SPSS software
17. International Trade Procedures & Documentation
18. Modules of National Institute of Securities Markets (NISM)
19. Recent Trends & Techniques of Marketing
20. Review of Government's Economic Policies & Its Impact
21. HR Updates,
22. Comprehensive & Subject wise Case Discussion
23. Creo Parametric 3D Modeling Software
24. Autocad
25. Basics of Diagnostics Pathology
26. Presentation Skill
27. Soft Skill Development
28. Pharmacological screening of drugs
29. Granulation Technology
30. Machine Learning Using Python
31. Embedded System
32. ASP. Net & Android
33. LISP
34. PERL
35. PYTHON

- The country. The module focuses on latest upheavals and policies designed to uplift and elevate economic condition of the country.

- **Value addition on Human Resource Management:** It covers the cultural awareness for the workforce, International HRM, Employee Engagement, Competency Mapping, Employment Law, Dealing with attitude problems in the workplace, and Working with the 5 generations.

- **Value addition on Management Updates:** It covers the Affiliate Marketing, Blue Ocean Strategies, Latest Performance Appraisal practices in the Industries, Understanding the business plan, Corporate Communication and its importance, Personal branding and its importance in career planning, Connected Managers-The Technology diffusion at workplace.

TRAINING
DEVELOPMENT &
PLACEMENT

The college has continuous liasion with Corporate Houses and Govt. undertakings for industrial training and for campus or off campus placement of the Engineering, Pharmacy, MCA & MBA students. It has a separate full-fledged placement cell headed by a person of the rank of a professor. This cell is activated collectively by the students and the heads of the departments. The cell is well-equipped with independent staff, modern means of communication etc.

Placement*

TRAINING DEVELOPMENT & PLACEMENT CELL

Training, Development & Placement cell strives for the best placement of students through its constant endeavour in preparing students for taking up challenges in the corporate world. Headed by an eminent and efficient person with decades of experience in corporate and academic world, Placement Cell takes initiatives to provide industrial training and placement assistance to its students. The cell works for growth and development of professional skills of students by organizing Industrial Training and Guest Lecture by senior professionals of the corporate world. Placement cell has been continuously working for visit of MNCs and companies of National repute for recruitment of students.

Industry- Institute Interaction

The institute is actively involved in establishing healthy interaction between academia and industry. Considering benefits of exposure to industry for students, the placement cell reaches out to corporate houses and carries out various activities throughout the academic calendar. Depending upon their discipline, specialization area and the level of understanding, our students visit to many industries like TCS Lucknow, Bajaj Auto, Ashok Leyland, Tata Motors, Delta, Britannia, Parle, Jackson Pharma located at Rudrapur Industrial area. They also visit BSNL, IVRI, Railways, Power Sector Companies, Mahindra and Mahindra, IFFCO Aonla, Bajaj Hindusthan, Reliance Power, DSCL, Polyplex, Century Pulp and other organization. B.Pharm students visit pharma industries at Baddi (Himachal Pradesh) MBA students visit to Mumbai every year in SEBI, NSC, JNPT etc.

ØSeminars, Workshops and Guest Lectures : Through Training and Placement Cell, the college organizes various

Guest lectures, seminars and workshops where students and faculty members learn from practical experiences of dignitaries from various fields of industry. Eminent professionals from corporate and academic world are frequently invited to the college.

Industrial Visits and Guest Lectures

Few of the very important tools of interaction between students, faculty and experts from the industry are inviting eminent professionals from corporate world to the College. Through Training and Placement Cell, the college organizes various Guest lectures, seminars and workshops where students and faculty members learn from the practical experiences of personalities from various fields of industry.

Industrial Training

In order to give a hands-on experience of the corporate world, an Industrial Training after the pre-final year has been made a part of the curriculum. A proactive industry involvement programme has been established through which Industrial Training and Internship are organized for students. Students of B.Tech., B. Pharm and MBA undergo training for four weeks (after pre-final year) while students of MCA undergo industrial training for 6 months (after 5th Semester). The members of the Placement Cell arrange for personal feedback of the students from the organizations which are providing them industrial training whereby faculty representatives go and meet the trainers and enquire about students' performance personally.

Centre of Excellence

Relying on its focus on developing the students in the emerging technologies and to nurture innovation & entrepreneurship among students, SRMS College of Engineering & Technology, Bareilly has established Center of Excellence in following major domains :

1. Data Analytics
2. Internet of Things (IoT)
3. Industrial Automation
4. Enterprise Security & Risk Management
5. AZURE
6. PLC/SCADA

These centers of excellence are developed in view of recommendations of Training & Development Cell on the basis of its interactions with the HR officials of various leading companies and senior alumni of SRMS Engineering Institutions.

During the academic session 2017-18, following students registered themselves for pursuing an On-Campus dedicated training program of 40 hours through internal as well as external experts from reputed training organizations at subsidized fees:

Industry Corporate Tie-ups & MOU's

To cope up with the National Challenge of poor employability of Engineering Graduates, especially in the Core Engineering Streams like Mechanical Engineering, Electrical Engineering, Electrical & Electronics Engineering, and Electronics & Communication Engineering, the Training, Development & Placement Cell of Shri Ram Murti Smarak Engineering Institutions, Bareilly- Lucknow has conceptualized an Industrial Exposure Initiative for the Pre-Final Year students, pursuing B.Tech. in these core streams.

The idea of such initiative is to provide an industrial exposure to the students during VI Semester of the curriculum and to enable them to devise the plan with proper guidance of their teachers for their 6 Weeks Industrial Training to be pursued after completion of VI Semester.

MOUs with Corporate Houses :
1. International MOU with Anantics, MIchigan (USA)
2. Ashok Leyland, Rudrapur
3. Tata Motors, Rudrapur
4. Bajaj Auto Limited, Rudrapur
5. Spicer India Pvt. Ltd., Rudrapur
6. India Forge, Rudrapur
7. TVS (Sundram Fasteners Ltd.), Rudrapur
8. Rane (Madras) Limited, Rudrapur
9. Bhagwati Products Limited, Rudrapur
10. Paper Product Ltd., Rudrapur
11. Varroc Group, Rudrapur
12. India Glycols Limited, Kashipur
13. BHEL, Haridwar
14. Reliance Energy, Roza, Shahjahanpur
15. NPCIL, Narora, Bulandshahr
16. IFFCO, Aonla, Bareilly
17. KRIBHCO, Shahjahanpur
18. JBM, Gurgaon
19. ALTTC, Ghaziabad
20. Ashoka Foam Multiplast Limited, Bareilly
21. B.L. Agro Oils Limited, Bareilly

Entrepreneurship Development Cell

The College encourages the students to start their own enterprises after completion of the course. In this context, the college has an Entrepreneurship Development Cell which organizes the training sessions for the students who wish to become entrepreneurs. The cell works in collaboration with the Entrepreneurship Development Institute of India, New Delhi.

Group Discussion

Group Discussion and Presentation skills form an integral part of any recruitment drive conducted by companies. With an objective to prepare students for recruitment, group discussions are organized. Various topics related to their core field and current awareness is generated among the students.

Mock Interviews

The Training and Placement Department ensures that the students are completely prepared and are confident before appearing for Recruitment Interviews. The aim of the exercise is to help students in grooming their overall personality and bringing out their hidden talents, creativity and flair.

Soft Skill Classes

Infosys under its campus connect initiative has "Soft Skills" Training Programme for the partnering colleges. College is also imparting soft skills training to the students of various courses under the framework prescribed by Infosys in its Campus Connect Program. The program consists of six modules:
i. The art of communication
ii. The hidden data of communication
iii. Team Building Communication
iv. Adapting to Corporate life
v. Discussions, Decisions and Presentations.
vi. Foundation course in banking in collaboration with ICICI Bank, management department offers online foundation course in banking.

Kalam Centre for Innovation and Incubation of Startups

Our institutions are working in association with Kalam Centre for Innovation and Incubation of Startups, which is established with an objective to start the startup culture across all affiliated colleges of Dr. A. P. J. Abdul Kalam Technical University. Kalam - Centre for Innovation and Incubation of startup (K-CIIS) intends to create an ecosystem for promoting innovations and start-ups for students and alumni of Dr. A. P. J. Abdul Kalam Technical University, Lucknow. K-CIIS is developing an end-to- end mentorship and incubation model for potential start-ups. The motive is to build avenues of partnership and integration with other organizations and agencies in each of these aspects. K-CIIS also presents a platform and a unique opportunity for startups not only to fuel their entrepreneurial journeys with funding, but also to build a community of potential investors, customers, business partners and fellow entrepreneurs around them.

Millionminds

SRMSCET, Bareilly has also signed Memorandum of Understanding (MOU) with Millionminds, which is a New Age Entrepreneurship and Startup Support Platform for students who want to gain meaningful opportunities in Startup space. Millionminds - a free of cost entrepreneurship program is designed for enthusiastic students.

Employability Skills Enhancement Program (ESEP)

This ESEP focuses on preparing "industry-ready professionals" by aligning and enhancing the engineering student skills with the needs of the industry. It has started with the following objectives:

- To ensure proactive approach amongst the students for self-development.
- To encourage Participation of students in an active career development plans.
- To create leaders and encourage individual autonomy to be highly successful and creative in their assignments.
- The ultimate aim of ESEP sessions is to integrate the overall approach to assiststudents in developing and increasing their self-awareness so that they have a better understanding of their own strengths and weaknesses.

The Program is designed for students on yearly basis divided into two semesters (Odd and Even). Its starts with the basics of communication (2ndyear) to Final mock Interview sessions (Final year).In each successive year level of advancement is raised sequentially so that students easily digest the concepts and then move to next level. Program is more focused on participative style of learning.

The program has the following modules:
- Kinesics
- Discussion on intrapersonal skills and Interview Techniques
- Time Management
- Corporate Etiquettes
- CV Preparation and work out session
- Phonetics
- Listening skills
- SWOT analysis
- Stress Management
- Presentation skills
- Group Discussion

This Program provided a platform to all the students for self-disclosure and self-Improvement. It aimed at evolving a model through which students and institute can partner for competitiveness to enhance the pool of highly capable talent for requirements in growing corporate sectors.

STUDENTS' ACTIVITIES CLUBS

Tyro Clubs

This is a student club of SRMSCET that has been formed by the students at college level. The club organises a number of cultural, literary, sports, dramatics, Robotics, and other activities on a regular basis through out the year.

Various Departments in the college organise club activities pertaining to their respective areas of specialization.

Verve Clubs

This is a student club of SRMSCET&R that has been formed by the students. This club organises many Technical, Sports and Cultural Event (Spandan). Various clubs running under VERVE are :

Oasis Clubs

An oasis signifies the aesthetic personification in a heart of heath filling them with fertility and prosperity. Oasis club of SRMSCET aims at filling the life of students with zeal, triumph and vitality building them into a Mangrove of success.

A part from these clubs, various clubs are constituted for providing a platform to nurture the inner potential and talent of young blood.

Engineering

Robotrax Club:

The Robotrax Club is dedicated to promotion of activities related to Robotics amongst student fraternity. The club has a multi disciplinary approach and organises workshops and competitions for the benefit of the students. Its functioning at SRMSCET, Bareilly

Aeronautical Club:

A club dedicated to development of knowledge and skills in the field of Aeronautics is functional, manage by the student. The club is receiving an overwhelming support and participation of the student community.

Design Club:

A new club was formed in the year 2016 to sarpen the design skills & creativity of the students inclined towards.

Triumph Club:

Student of M.Tech. have formed a 'TRIUMPH CLUB' which conducts several activities. This Club is dedicated to development of knowledge and skills in field of research.

Technical Club (Techtronix - Enabling Innovation)

This is a technical Club of the college that deals with various technical events in all fields organised by the verve club. A Workshop on Robotics has become regular feature.

Aero Club (Skysharks)

Skysharks acts as a forum for the students development in the field of aeronautics. This club organises several workshops.

Robotics Club

The Robotic club organizes activities related to Robotics amongst student fraternity. This club organizes robotics workshops various levels.

Synergy Club

The taste technical appetite is given in synergy. The club organizes various printed circuit Board (PCB) making workshop, circuit making competition to improve hands-on technical knowledge amongst the students.

ME Club

ME Club organizes computer aided design workshops in which activities like designing of product and new product development through various softwares like CATIA ProE are held.

IT Club

IT Club organizes Dot NET and Advanced JAVA workshops, online games in which future aspect of computer based technology has been aimed.

Literary Club

The Literary club provides opportunity to all the students to exhibits their talents in various creative activities such as essay writing, theme based story writing, news editing etc.

Pharmacy

Pharmqumica Club :

Students of Pharmacy have formed a "Pharmaqumica Club", which conducts several activities. It releases e-magazine christened "PHARMA MIRROR", which is published by the department to encourage the students of Pharmacy to increase their involvement in the field of Pharmaceutical research, publication and presentation.

MANGEMENT

◆In order to develop a habit of team work various students clubs are functional in this department. These clubs are under management club which is headed by students' office bearers as President, Vice President and Secretary. These clubs are

- Marketing Club
- Finance Club
- HR Club
- Cultural Club
- Strategy Club
- Values and Ethics Club
- Entrepreneurship Club

COMPUTER APPLICATION

The MCA Department organizes Club activities as part of its continuing endeavour to improve the skills of the students. Six different clubs have been formed in order to organize various activities. The clubs are:

- UWIN Club
- Tweaks & Tricks Club
- C2C# Club
- CISCO Club
- New Era@IT Club
- Blue Chip Club

OTHER CLUBS

Hoby Club :

The college also has a "HOBBY CLUB" a forum for organising creative activities among students such as painting, photography, philately, music, dramatics etc. The events organised by our college are highly appreciated and acclaimed at all levels. Most of the presentations from students are comparable to that of professionals.

Sports Club (Aaveg):

The VERVE club organises Aaveg, a sports event in the college which comprises of various track and field events, outdoor and indoor games like - Badminton, Volleyball, Table Tennis, Live Chess, Carrom etc.

Cultural Club (Neophytes)

This is a cultural club which provides opportunities to all the students to exhibit their talents in various creative activities such as painting, photography, music, philately, dramatics, dance, etc. The events organized by the college are highly appreciated and acclaimed at all the levels.

The Dramatics Club (Exprimo)

This is the Dramatics club of the college running successfully under the aegis of VERVE club.

The various clubs running under OASIS are:-

Music & Dance Club

Rhythm and beats are important for instrumental working of life. Thus to nurture the talent of students and in order to allow them to showcase their talent music & dance club is formed.

Dramatics & Fashionate Club

Expression plays an important role in one's persona. Dramatics club keenly organizes various dramatic events (mime, street play etc.) to maintain a proper balance of ideas in students life.

Sports Club

The philosophy of health is wealth has been true for ages. To keep students healthy sports events like Badminton, volleyball, table tennis, chess, carom etc. are organized.

CULTURAL & SPORT FEST

Students are encouraged to organise cultural, technical, literary events as well as to participate in sports activities. To actively involve the students in all these activities, various student clubs have been established in the college.

Zest

An annual cultural/academic festival called "ZEST" is organized by the students' club of SRMSCET to provide opportunities to all the students to exhibit their talents in different fields. Teams from Technical and Management colleges/ institutes of repute are invited to participate in this festival. Skits, debates, quizzes, mock parliament, music & dance events followed by FASHION SHOW and STAR NITE are highlights of the event.

Aamod

Tyro Club organises "AAMOD", an annual sports meet, open to all Technical colleges, every year. Various events like : track and field events, various outdoor and indoor games like Badminton, Volleyball, Table Tennis, Basketball, Squash, Football, Kho-Kho, Mini Cricket etc are orgnised as a part of the celebrations.

Techvyom

"TECHVYOM" is a national level technical festival, that is organised by the college annually. Various technical events are organised during this festival, in which participants from various colleges take part. A workshop on "ROBOTICS" has become a regular feature of annual events.

Spic Macay

SPIC-MACAY is an institution engaged in propogating classical music and dances. It attempts to familiarise the young generation of the country with their cultural roots. As such, college has made it a point to invite best performers in classical dances and instrumental/vocal music. World-fame couple artist Jai Rama Rao and Vanshree Rao (Kuchipudi Dancer), Shri Puran Chand Wadali group and Kathhak Dancer Nalini-Kamalini have given their superb performances under the banner of SPIC-MACAY.

SPANDAN

SPANDAN It is the annual cultural fest of the SRMSCET&R, Bareilly organized by the students'. It becomes more than the dosage of fun and enthusiasm. It is the platform for each student to showcase the best of them and thus justifies the meaning of SPANDAN to be the beat of life .

LIBRARY

Library

Library is a vital resource and it serves as a nerve centre for all student pursuits. A rich collection of carefully selected books in all areas of Engineering, Pharmacy, Management, Computer Applications and Social Sciences, form a part of our impressive air-conditioned Library, a state-of-the-art two-storeyed building.

Retrospect - The publication is dedicated to college alumni and provides a platform where college alumni can express their thoughts and views.

Spectrum - published research papers contributed by the students.

Endeavor - Published research papers contributed by the faculty member.

SRMS Jounal of Computer Science & Information System - This is an yearly publication aims to encourage the latest innovation in computer science & Information field.

Monthly E-news Letter - This is the monthly publication from each department to showcase the activities and innovations carried out at the departmental level during the month.

Accessorial Infrastructure

Virtual Class Room

The college enhances the learning experience through a comprehensive I.T. Support system. A Virtual Class Room has been established with Plasma Screen and LCD projector. Students can learn by listening to as well as interacting with any Faculty/Expert from any part of the world.

Computer Centre

Computer Centre plays a critical role of a learning centre both for the students and faculty. Computer Centre is equipped with latest IBM/HP/Xeon server with over 250 network systems i7/i5/i3 Intel Processor, 2GB/4GB RAM, Memory 500 GB/ 1 TB Hard Drive, 17"/15" color monitor. The platform is available in Computer Centre - Windows-7, Windows-XP, Unix, Linux (ubantu) and Novell Netware using different softwares like - Oracle, Visual Studio, Photoshop, Illustrator, MATLAB, IBM Rational Rose, Director, C, C++ etc. Computer centre is equipped with facilities such as: Scanner, Line, Laser and Dot-Matrix Printers. All students are given a personal computer account, e-mail address, network drive, personal space on the Web Server and access to the Internet. Computer Centre is open round the clock.

Health Centre

The college maintains a primary health centre where primary medical services are made available to the students in the college campus itself. For tertiary services, SRMS-IMS, an ultra modern, 950 bed, centrally air-conditioned Hospital caters to the medical needs of the students and faculty. Moreover, 24 hours first-aid and ambulance facilities are available within the campus under the supervision of doctor and qualified assistant.

To give students peace of mind and tranquility which they need for better concentration and mental peace, the college has the required infrastructure for Yoga, Pranayam & Meditation.

Residential Area

The Institute has on campus residential facilities for Faculty Members, Residents and Administrative Staff. The residential area is located on a sprawling and pollution free area and provides healthy condition for living. Within the residential area it has a Garden, parking space, 24 hrs. Security, Water Supply, Electricity, Cable TV and Telecom facility is available.

Bank

The campus has an ATM Machine of Oriental Bank of Commerce & HDFC Bank which provides 24 hrs. ATM transaction facility. Oriental Bank of Commerce (CBS Branch) & HDFC Bank Ltd. located in Ram Murti Puram, provides banking & locker facility.

Transport

College provides transport services regularly between campus and the city. College buses are made available to the students and faculty members for commuting from various points in the city to the college and back. All the buses reach campus before college hours and leave the campus after college hours. It is compulsory for all the students to make use of college buses or stay in hostel.

Sports Facility

College provides facilities to students to pursue a wide range of sports activities in the campus. The Outdoor facilities include athletics (6 Lane 400 Meters Track field with all accessories), hockey, football and cricket fields: basketball, volleyball, lawn tennis and badminton courts. College provides excellent indoor facilities for table tennis, badminton, billiards, chess, carom & pool etc. There is also a separate indoor squash court in the college campus.

Gymnasium

The Campus has a well equipped modern Gymnasium in the Multipurpose Hall.

Thus, students have options to choose from a range of sporting activities and exercises to ensure that they stay healthy enough to cope with stress posed by modern day life.

Recreational Facilities

Besides the episodic events, Cafeteria, (Nescafe KIOSKS, Cold Drink, Ice-cream point, Open air restaurant etc.) is the place where students get a lot of relaxation and enjoy their free time.

Guest House

The Campus has a well equipped modern Gymnasium in the Multipurpose Hall.

Thus, students have options to choose from a range of sporting activities and exercises to ensure that they stay healthy enough to cope with stress posed by modern day life.

Temple

To provide spiritual environment to student, faculty & staff, all of our campus have separate temples. Radha Mohan Temple of lord Krishna & Radha and Narmadeshwar Temple of Lord Shiva with Family are situated in Bareilly as well as in Lucknow campus. Lord Hanuman Temple is also situated at Lucknow.

Hostel

Hostel is compulsory for all students belonging to place other than Bareilly.

Thousands of students from across the country are provided residential facility available in the College Campus, which comes closest to being a home away from home. Separate facilities for boys and girls, caring wardens and all alert security ensure a pleasant stay ensures focus on academics. There are four Hostels in the college campus, Revati Hostel (for girls), LBV Hostel, Er. S.M. Hostel (for boys) and Boys PG Hostel. These hostel rooms are well furnished. They have separate mess which are managed by the Students Committee. Hostels have 24 hours power supply, hot water supply in winters, common rooms with LCD TV & indoor games. Only vegetarian food is served in the hostel mess.

Centennial Auditorium

Student's activities are aimed at all round development of students, and also grooming them to face global challenges. Our endeavour is to prepare the students to inculcate managerial skills, Engineering endeavour and to develop a pro-active approach to solve problems, in a continuously changing economic, political and socio-cultural environment.

SHRI RAM MURTI CENTENNIAL AUDITORIUM

IMPORTANT INSTRUCTIONS

Change of Branch

The branch of study once allocated by the UPSEE shall not be changed; however, such changes may be allowed against vacant seats at the beginning of IInd year, on the basis of merit in the B.Tech. 1st year examination result (without any back and grace marks).

Change of branch may be allowed against the vacant seats in the following two stages:

A. i. In first year branch change should be completed within 10 days of the last date of admission to the B.Tech., 1st Semester, strictly on the basis of combined general merit of entrance examination on vacant seat (s).

   ii. After change of branch, number of students in branches shall neither increase over the intake approved by A.I.C.T.E. nor decrease below 75% of intake approved by A.I.C.T.E.

B. In the second year (Third semester) Branch Change should be completed according to the following criteria:

   i. Branch change at the college level shall be carried out by the Director / Principal of the college.

   ii. Facility of Branch Change at the Second Year (Third Semester) level shall be available only to meritorious students and shall not be considered as a matter of right.

   iii. Branch Change is permitted at the beginning of Third Semester (Second Year) only.

   iv. For the purpose of branch change, the "prescribed intake" shall be the intake prescribed by AICTE for the previous academic session including 10% intake for fee waiver seats, if applicable, when the students were admitted at first semester level. Subsequent variations in intake shall have no bearing on the students eligible for branch change.

   v. Maximum number of students permitted to change of branch shall be 25% of the students enrolled in the first year in the respective branch (s), subject to the strength of the class not decreasing below 75% of enrolled students and also not below 50% of intake approved by AICTE. After branch change the intake must not be more than approved AICTE intake including the fee waiver seats.

vi. Branch change can be made only against clear vacancy in a particular branch, Vacancy (V) being defined as:
$$V = I - (Reg + Rep + Lat)$$
where I = The prescribed intake for the branch including 10% intake for fee waiver seats.

Reg = No. of regular students who have been promoted & registered in third semester (including NRI & Management Quota seats)

Rep = No. of students from previous batches, registered in third semester as a regular students.

Lat = No. of students admitted & registered in third semester directly through lateral entry against vacant seats at first year level.

Branch Change shall not be permitted to any course where (Reg + Rep + Lat) > or = I under no circumstances, there shall be any exception to the above stipulations.

vii. Branch Change shall be strictly according to the Merit list prepared by the college on the basis of total marks obtained by a student in First Year University Examination. Only those students who have passed in all the subjects (without any carry over paper or grace in any subject of any semester) shall be considered.

viii. B.Tech. Biotechnology, B.Tech. Agriculture or Lateral Entry students shall not be eligible for branch change.

ix. Students admitted on any seat which is over and above the AICTE sanctioned intake (such as Lateral entry, Kashmiri migrant) shall not be eligible for branch change.

x. Change of Branch should be completed within 10 days of the declaration of First & Second Semester (First Year) result.

xi. Excess intake in any branch shall disentitle the college to effectuate any branch change in that discipline until the punitive measure, such as reduction in intake etc. as imposed by Dr. A.P.J. Abdul Kalam Technical University is effective.

xii. College / students shall not be entitled to any relief, if the guidelines mentioned above for permitting branch change are not strictly adhered to.

Ragging is punishable offence under Law

As per the orders of Hon'ble Supreme Court, AICTE, PCI, State Government and Dr. A.P.J. Abdul Kalam Technical University ragging is illegal and is completely prohibited and banned both inside and outside the college campus. An F.I.R. will be lodged against the student involved in ragging if informed by victim student or his parents/guardians.

As per Hon'ble Supreme Court of India's Order

"If any incident of ragging comes to the notice of the authority, the concerned student shall be given liberty to explain and if his/her explanation is not found satisfactory, the authority would expel him/her from the institution."
Please go through the instruction manual for detailed information.

Notes

संस्थान गीत

श्री राममूर्ति संस्थान...... श्री राममूर्ति संस्थान......
श्री राममूर्ति संस्थान, नमन हो तुमको बारम्बार
इसके कण–कण में बसता है ज्ञान और विज्ञान
श्री राममूर्ति संस्थान......

1. पूज्य पिता की याद को लेकर
    आपने की है इसकी रचना
    यही प्रयत्न हम सबका भी है
    आपका हो सपना साकार
    श्री राममूर्ति संस्थान......

2. इसकी पावन भूमि में है 2........
    हर शिक्षक भगवान 2......
    जिसमें पढ़ते हैं सब मिलकर
    भौतिक गणित रसायन 2.....
    श्री राममूर्ति संस्थान......

3. यहां ज्ञान के साथ–साथ है पूजा का स्थान
    जहां विराजमान है देखो
    श्री कृष्ण भगवान 2.....
    हर मानव नतमस्तक होकर करता ईश का ध्यान
    श्री राममूर्ति संस्थान......

4. इसके आंगन में है रहकर 2.....
    मिले अभियंता नाम
    मिले प्रबंधक नाम
    ज्ञान की डोर और बढ़ाना
    यही है इसका काम
    श्री राममूर्ति संस्थान......
