**Shri Ram Murti Smarak College of Engg.,Tech. & Research Bareilly**

## ABOUT THE CONFERENCE

SRMS College of Engineering and Technology is going to organize a one day conference on "Advances in Communication Engineering & Sensor Technology 2016" on 5<sup>th</sup> November 2016. The conference is open to Faculty, Research Scholars, UG & PG students and Delegates from the Academia and person from industries and Govt. Organization.

## INVITATION

The department of Electronics and Communication Engineering, Shri Ram Murti Smarak College of Engineering & Technology, Bareilly is going to organize a National Conference on "Advances in Communication Engineering & Sensor Technology 2016" on 5<sup>th</sup> November 2016. Communication Engineering has brought with it many advances & has taken a place in the heart & soul of today society involved in every aspect of life. Technology is an effort to highlight and deliberate the trends and practices prevailing in various titles of Electronics, Communication and Sensing Technology across the world. The goal is to provide forum for sharing of knowledge and innovations amongst young students, researchers, academicians and professionals in orders to keep and comprehend the exciting and challenging future of sensor world. The conference looks at the future of the exciting technology of the modern era across the globe to stimulate scholarly research in various discipline to initiate and to open avenues for future developments to make the universe better place for living.

## CALL FOR PAPERS

We are pleased to announce ACEST -2016, a National Conference on Advances in Communication Engineering & Sensor Technology to be organised by department of Electronics & Communication Engineering, Shri Ram Murti Smarak College of Engineering & Technology, Bareilly. You are cordially invited for your valuable contribution in fulfilling its objective. Papers submitted will be reviewed and evaluated based on originality, technical quality and relevance to Conference. Submission of papers will be carried out electronically via Email: [acest2016@gmail.com](mailto:acest2016@gmail.com) in DOC format. Full length research papers should not exceed seven pages and should follow IEEE guidelines. The received research papers will be reviewed and acceptance will be communicated by 24<sup>th</sup> October 2016. All selected papers will be published in conference with registered ISBN number:

## AREAS OF INTEREST

The topic of conference includes, but not limited

- Microwave Sensor
- Advance Communication Technology
- Green Signal Processing
- Multi Channel Signal Processing
- Speech Processing using Multi Rate DSP
- Seismic Signal Processing
- Microwave Communication
- Fiber Sensor & Long Range Application
- Satellite Communication
- VLSI & Embedded system
- Network Simulator & Emulation
- Biomedical Engineering
- Sensor Technology

## CONFERENCE SCHEDULE
