## INSPIRE-INTERNSHIP 2012

**SHRI Ram Murti Smarak College of Engineering and Technology (SRM-SCKET) Barvilly** organised "Inspire-Internship-2012", a five day residential science camp, sponsored by DST Government of India from May 15-19 at its premises. Professor Kripa Shankar, vice chancellor, Gautam Buddha Technical University, Lucknow, was the chief guest, who inaugurated the internship camp by lighting the ceremonial lamp in the presence of chairman of SRMS Trust, Dev Murti, trust secretary Aditya Murti, Richa Murti, director general professor SP Gupta, dean academics professor Prabhakar Jaisla, trust administrator Er Subash Mehra and professor SK Dogra, renowned scientist of India from IIT Kanpur. The faculty members of SRMS, several educationists, academics, experts and more than 200 interns from various inter colleges of P were also part of the programme.

acceptable change in the society. The chief guest while addressing, cited various examples through it takes a time to develop even the smallest principles of science, it might take centuries to reach to the desired results and scientists hardly avail the results of their researches; ultimately we people benefit out of it. He also laid down the possibility of starting a new research in this programme.

**GLIMPSE OF FIVE-DAY EVENT:** On the first day of the Inspire programme, speaker SK Dogra motivated the students with small facts of chemistry and acquainted them to the heights of research through various examples. Er Ramesh Agarwal said, "Inspire Inter-

ship-2012 aims at imparting knowledge of research to the students by the distinguished and the eminent scientists and researchers for growth

facilities and scholarships are given. Trust secretary advised the students to avail opportunity by raising their queries before their mentors. Day

two witnessed Bharat Ratna awarded, Dr Mahesh Chandra of IVRI Barvilly and Dr Sanjeev Saxena, professor in physics department, Barvilly College, as mentors who discussed various issues of science. Dr Laxmi Kant Sharma, senior research person at Jawahar Lal Nehru Science Exhibition was the first mentor at the third day of the camp who emphasized on the various practical applications and aspects of science while demonstrating the use of turbine, PH meter, multimeter and spring balance through the models. The second mentor was Padma Shri awardee, Dr Suman Sahay associated with the NGO Gene cam-

paign, Delhi who emphasized on the applications of genetic engineering. The fourth day of the camp began with the speech by first mentor, professor Santosh Kumar, professor department of geology centre of advanced studies, Kumaun University (Uttarakhand).

The first mentor of the fifth day was Dr Umesh Kumar, scientist, department of science and technology Govt. The second mentor of the day was Dr GS Sothi, associate professor at department of chemistry/forensic science unit, SGTS Khalsa College, DLI.

**OTHER CONTRIBUTIONS:** Other highlights of the five-day event were various laboratory activities, talent hunt, cultural programmes and recreational activities. The closing ceremony ended with the vote of thanks by coordinators, which was followed by a prize distribution ceremony. To make the programme a huge success, sincere contributions were made by Dr Prabhakar Gupta, Ramesh Agarwal, Sachin Agarwal, Dr MM Abdullah, Subhash Mehra, Dr Sanjeev Srivastava and many others.

MANYA (5X7X) GUJLANI

**ALIABLE ADDRESSES:** The chairman of SRMS Trust, welcomed the chief guest, other dignitaries, students, parents and teachers who participated in this programme. He encouraged students to develop goal in them. He motivated them to make efforts towards bringing a positive and
