“With its abundance of enjoyable and challenging study possibilities, I can without a doubt claim that SRMS CETR College is the best part of my life. The SRMS faculty Member's encouragement is what I most admire, and I want to express my gratitude to them for helping me develop my skills. I'm also appreciative of the Training, Development and Placement Cell for giving me a lot of chances to improve my abilities and do well in my interview. I was hired by TCS entirely because of SRMS CETR. This will always be a memorable moment in my life.”

“My experience with SRMS College of Engineering, Technology and Research was incredible. I got placed with my dream company Tata Consultancy Services. The college has the best and most helpful faculty and placement cell. For every challenge that I faced, I received guidance. The exposure here added a lot to my confidence and presentation skills. Even during the final placements, when I was struggling in my initial interviews, the teachers and placement team helped me identify my weaknesses and overcome those. I am so grateful for my time here.”
