SHRI RAM MURTI SMARAK COLLEGE OF ENGINEERING & TECHNOLOGY, BAREILLY (U.P.) INDIA

Shri Ram Murti Smarak College of Engineering & Technology (SRMS CET), established in 1996, has an independent residential campus spread over 35 acres of land with all-weather roads, lush green lawns, playgrounds, Multi-Purpose Hall, Gymnasium, Squash Court and 53020 sq.m. of built-up area on the campus. The college offers courses of undergraduate and postgraduate levels, with a professional or vocational orientation to internationally recognized standards of excellence. The college inculcates values and ethics in its students so that the pride of SRMS CET may become an asset of our Nation. The College has demonstrated perennial evidence for merit and quality. It is developing by leaps and bounds in terms of infrastructural facilities and human capital not only to fulfill the requirements of the current technological status but also to set itself as a teaching and research centre of eminence in future.

ABOUT THE DEPARTMENT

Established in the year 2000, the Department of Pharmacy at Shri Ram Murti Smarak College of Engineering & Technology, Bareilly, is dedicated to nurturing competent pharmacy professionals equipped with scientific knowledge, practical skills, and professional values. Approved by the All India Council for Technical Education (AICTE) and recognized by the Pharmacy Council of India (PCI), the department is affiliated with Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow. Pharmacists, as the “Medicine Experts,” play a vital role in developing life-saving drugs, ensuring the safe use of medicines, and contributing to public health. With this vision, the department combines Outcome-Based Education (OBE), hands-on training, and industry exposure to prepare students for careers in pharmaceutical sciences, research, and healthcare practice. SRMS College of Engineering & Technology , Bareilly offers B.Pharm. and M.Pharm. (Pharmaceutics) programmes, approved by PCI and affiliated with AKTU, Lucknow.

ABOUT THE CONFERENCE

Shri Ram Murti Smarak College of Engineering and Technology, Bareilly, U.P., India is organizing the International Conference on Transforming Global Health Through Pharmaceutical Innovations and Digital Integration is a premier international forum that brings together academicians, researchers, healthcare professionals, pharmaceutical industries, policymakers, innovators, and students to discuss emerging trends and breakthroughs in pharmaceutical sciences and digital healthcare. The conference aims to promote interdisciplinary research, foster academia–industry collaboration, and explore innovative solutions in drug discovery, advanced drug delivery systems, artificial intelligence, digital health, biotechnology, precision medicine, and sustainable healthcare. Aligned with the vision of the conference seeks to accelerate scientific innovation, technological advancement, and global partnerships to develop accessible, affordable, and patient-centric healthcare systems for the future.

OBJECTIVES

- 1.To provide an international platform for sharing recent advances in pharmaceutical sciences, digital health, and healthcare technologies.
- 2.To promote collaboration among academia, industry, healthcare professionals, and policymakers for innovation and translational research.
- 3.To explore the role of artificial intelligence, digital integration, biotechnology, and precision medicine in transforming global healthcare.
- 4.To encourage sustainable pharmaceutical innovations and advanced healthcare solutions that improve patient outcomes and public health.

CALL FOR PAPERS

The Organizing Committee cordially invites researchers, academicians, scientists, industry professionals, clinicians, entrepreneurs, and students to submit original research papers, review articles, case studies, and innovative ideas for presentation at the International Conference on Transforming Global Health Through Pharmaceutical Innovations and Digital Integration.

The conference provides an international platform to disseminate high-quality research, exchange scientific knowledge, and foster collaborations between academia and industry. Authors are invited to submit abstracts and full-length papers.

THEMATIC AREAS

- Theme I: Artificial Intelligence and Digital Transformation in Healthcare
- Theme II: Pharmaceutical Nanotechnology and Advanced Drug Delivery Systems
- Theme III: Biotechnology, Biopharmaceuticals, and Precision Medicine
- Theme IV: Natural Products, Herbal Medicines, and Nutraceuticals from Traditional Use to Modern Application
- Theme V: Clinical Pharmacy, Pharmacology, and Public Health
- Theme VI: Pharmaceutical Manufacturing, Regulatory Sciences, and Quality Assurance
- Theme VII: Sustainable Pharmaceutical Sciences and Green Healthcare Technologies

All submissions will undergo a rigorous peer-review process by the Scientific Committee based on originality, scientific quality, technical merit, relevance, and innovation. Accepted abstracts will be published in the Conference Abstract Proceedings.

IMPORTANT DATES & DEADLINES

ABSTRACT SUBMISSION DEADLINE	21 SEPTEMBER, 2026
