ABOUT THE CONFERENCE ORGANIZERS

Shri Ram Murti Smarak

College of Engineering & Technology, Bareilly (U.P.) India

Shri Ram Murti Smarak College of Engineering & Technology (SRMS CET) established in 1996 has an independent residential campus spread over 35 acres of land with all weather roads, lush green lawns, playgrounds, Multi-Purpose Hall, Gymnasium, Squash Court and 53020 sq.m. of built up area on the campus. The college offers courses of undergraduate and postgraduate levels, with a professional or vocational orientation to internationally recognized standards of excellence. The college inculcates values and ethics in its students so that the pride of SRMS CET may become an asset of our Nation. The College has demonstrated perennial evidence for merit and quality. It is developing by leaps and bounds in terms of infrastructural facilities and human capital not only to fulfill the requirements of the current technological status but also to set itself as a teaching and research centre of eminence in future.

Bundelkhand

Institute of Engineering & Technology, Jhansi (U.P.)

Bundelkhand Institute of Engineering & Technology, Jhansi (U.P.), hereinafter referred to as BIET Jhansi, is an autonomous technical institution established by the Government of Uttar Pradesh with the objective of providing quality technical education and contributing to human resource development in the field of engineering and technology. The institute offers undergraduate and postgraduate programmes in various disciplines of engineering and applied sciences and is actively engaged in teaching, academic planning, curriculum delivery, and assessment in accordance with prevailing statutory and regulatory norms.

BIET Jhansi has developed substantial academic, administrative, and infrastructural facilities to support effective teaching-learning processes, faculty development, and institutional governance. The institute continually endeavors to enhance academic standards through systematic academic development initiatives, professional capacity building, and continuous quality improvement mechanisms. BIET Jhansi also facilitates academic interaction, training programmes, and professional activities aimed at strengthening technical competence and institutional capacity.

ABOUT THE CONFERENCE

Shri Ram Murti Smarak College of Engineering and Technology Bareilly U.P. is Jointly organizing International Conference on Advances in Computing & Intelligent Systems (ICACIS-2026) on 18-19 September 2026, with Bundelkhand Institute of Engineering & Technology, (BIET) Jhansi.

This conference aims to bring together researchers, academicians, industry professionals, and students from around the world to share and discuss the latest advancements, trends, and challenges in the field of computing. (ICACIS-2026) will provide a platform for fruitful exchanges of ideas, collaboration opportunities, and dissemination of cutting-edge research outcomes.

OBJECTIVES

1. Foster interdisciplinary collaborations and networking opportunities among participants from academia, industry, and research organizations.
2. Explore emerging trends, challenges, and opportunities in the field of computing and its applications in diverse domains.
3. Facilitate knowledge sharing and dissemination of best practices in computing technologies, methodologies, and applications.
4. Promote student participation and engagement through special sessions, workshops, and poster presentations.

CALL FOR PAPER

Authors are invited to submit the full length papers in the given format with a minimum of 6 pages and a maximum of 15 pages. The paper must be submitted electronically through Microsoft CMT.

PROCEEDINGS & EXTENDED PAPERS PUBLICATION DETAILS

All accepted papers of ICACIS-2026 are planned to be published in Scopus-indexed conference proceedings (subject to approval).

High-quality selected and extended versions of conference papers will be invited for submission to a special issue of a *Inquietud Empresarial Journal* (Web of Science indexed) subject to the journal's peer-review process.
