## About Jim Corbett

### Corbett National Park

Jim Corbett National Park, can be befittingly called the paradise of Tigers for the fact, that it holds a large population of tigers in its breathtaking landscapes that consists of different varieties of flora and fauna. Named after the legendary Tiger hunter turned Naturalist Jim Corbett, the proud destination 'Jim Corbett National Park' was the first national park of India, established in 1936 in the hill state of Uttarakhand in Northern India. It is one of the most famous wildlife destinations, visited by several wildlife enthusiasts who want to catch the glorious sights of the Indian tigers.

Spread across the districts Nainital and Pauri, the Corbett National Park covers an area of 1288 sq. km, together with neighboring reserves- Sonanadi Wildlife Sanctuary and Reserve Forest. It is home to approximately 110 tree species, 50 mammal species, 580 bird species, and 25 reptile species that are found both in the lower and higher regions of the park. The geographical location of this place that encloses streams, rivers, and ridges crisscrossing the terrain, makes Jim Corbett National Park a perfect habitat for numerous plant and animal species. There are 2 safaris (Jeep Safari & Elephant Safari) options at the Jim Corbett National Park.

## About SRMS

### Shri Ram Murti Smarak

Shri Ram Murti Smarak Institute of Medical Sciences is a well-established, leading institute in the field of medical care, education and research. The associated hospital is a 1000 bedded, multi-super specialty, tertiary care and trauma center spread over 40 acres of land and houses over 30 specialty and super specialty departments. It offers PG Courses in Pre, Para & Clinical departments and offers 150 seats of MBBS course. The hospital is well equipped with sophisticated and ultra modern diagnostic facilities and provides world class treatment. It caters to the health needs of a population of almost 30 million within a 250 km radius comprising western UP, Kumaun and extending upto Nepal.

The department of critical care medicine at SRMS institute is a platinum graded critical care complex comprising a 42 bedded ICU and a 10 bedded HDU equipped with diagnostic and therapeutic modalities of the highest standard complying to our one aim of excellence in patient care. Additionally, we boast of a didactic training program for trainees in intensive care medicine comprising an extensive curriculum and clinical experience of critically ill patients of all specialties.

## Places to Visit in Jim Corbett

### About Dhikala

Dhikala Zone is one of the most visited Safari zone of the Corbett National Park. Located 50 kms inside the dense forest of Jim Corbett, Dhikala Range is known for panoramic valley views and wildlife sightings. On the edge of Patli Dun valley, Dhikala zone has several Ramganga channels converges in the reservoir. It also consists a largest remaining grassland, Dhikala chaur with Phulai chaur.

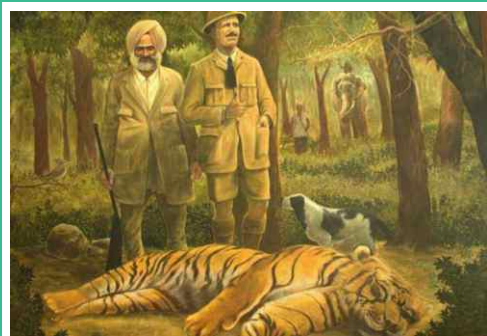

Corbett Falls

Kalagarh Dam

Kyari Camp

Dhangarhi Museum

Ramganga River

Mandal River
