Sub : **Letter of Appreciation**

Dear Sir,

Taking into consideration the appropriate scientific sessions, outstanding arrangements in terms of accommodation, conveyance & food, I feel privileged to appreciate the team work of SRMS-IMS as a whole and the Department of Forensic Medicine in particular in organising the XVI Annual Conference of the Indian Congress of Forensic Medicine & Toxicology , i.e. ICFMT-2017 from 15th to 17th September, 2017.

Dr. Jaswinder Singh, Associate Professor of Forensic Medicine, SRMS-IMS as organising secretary of the event deserves special mention as he along with his team gave all the participants including the delegates and speakers an opportunity in true sense to follow the Rule 1.2.3 of "Indian Medical Council (Professional conduct, Etiquette and Ethics) Regulations, 2002".

As one of the participants, I feel lucky to be a part of an academic event so nicely and meticulously organised.

With Thanks & Regards

(Dr. Gunajit Das, MD)
