## **About the Institute**

Shri Ram Murti Smarak Institute of Medical Sciences, Bareilly, a mission conceptualised in year 2002 is the most modern 1200 bedded multi super speciality and tertiary care hospital and a recognized medical college, catering for health needs in a radius of 250 kms of Bareilly zone reaching up to farthest border towns of Uttarakhand & Nepal. The Medical College (recognized by Ministry of Health, Govt. of India and approved by Medical Council of India, New Delhi offers Undergraduate (MBBS), Postgraduate (MD/MS) courses in all 23 pre, para & clinical departments and super speciality courses DM in Neurology & MCh in Neurosurgery.

The Institute in twenty two years of its establishment has grown multifold in terms of facilities, expertise and medical education. It is the only medical college among the self-funded ones to house one of the best medical technologies available in the country for diagnosis and intervention. Among them are 3 Tesla 48 channel MRI, 256 Slice Dual Source CT Scan, High Energy Linear Accelerator, HDR Brachytherapy alongwith 19 ultramodern fully equipped modular laminar flow OTs, SICU, ICU, ICCU, NICU, PICU, Cath Lab with DSA supported by high tech computerized clinical labs and blood bank with component separation facility.

## **Department of ENT and Head & Neck Surgery**

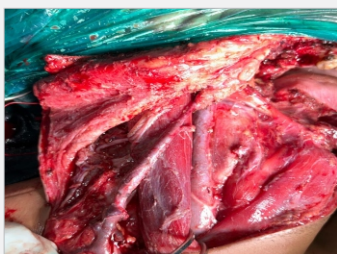

The department is one of the major centres for head and neck cancer surgeries, reconstruction, and rehabilitation in north India. This is aided by various investigative techniques available like fiberoptic nasopharyngolaryngoscopy, narrow band imaging and videolaryngostroboscopy. We are eager to spread our presence in different avenues and fulfil any responsibility entrusted upon us.

## **Division of Surgical Oncology**

Division of Surgical Oncology is in action for the past 10 years and performing all kinds of procedures in collaboration with other departments, as majority of share being of Head and neck Malignancies, contributing to 35 - 40 % of total Onco surgeries. We have dedicated oncosurgery operation theaters, includes high end laparoscopic unit, to add on we are performing state of art Robotic surgeries as well with back up of full fledged ICU care.

## **R R Cancer Institute & Research Centre**

Dedicated 100 beds R R Cancer Institute & Research Centre is leading the way in management of Cancer patients. With state-of-the-art infrastructure, latest machines and expert faculty, RR cancer institute has established itself as a centre of excellence in cancer care in Uttar Pradesh and Uttarakhand states. With facilities like IGRT, IMRT, SRS, SRT, SBRT, VMAT etc. by High Energy Linear Accelerator (True Beam), HDR-Brachytherapy, Interstitial Implants, Chemotherapy, Immunotherapy, Targeted therapy, Hormonal therapy, Bone marrow procedures and Palliative Care, R R cancer institute is providing holistic and best in field treatment to cancer patients. With its community outreach and screening programmes, The institute is pioneer in early cancer detection, treatment and cancer awareness.
