Medical College
Block, SRMSIMS

CONFERENCE

Invitation

Dear colleagues

The Department of Obstetrics and Gynaecology is pleased to announce its upcoming Continuing Medical Education (CME) and Workshop titled "Updates in Obstetrics and Gynaecology", scheduled for 1st-2nd November 2025.

In the dynamic and rapidly evolving field of Obstetrics and Gynaecology, keeping abreast with latest evidence-based practices, treatment modalities, and technological innovations is essential for optimal patient care. This academic event aims to provide a comprehensive update on recent advances and evolving trends in the specialty.

The scientific programme has been carefully designed to cover diverse and contemporary topics, including:

- **Cosmetic and Aesthetic Gynaecology**
- **Reproductive Medicine and IVF**
- **Fetal–Maternal Medicine**
- **Role of Robotics in Gynaecology**
- **Critical & High Risk Obstetrics**

To complement the plenary sessions, capsule-format workshops and symposia will offer hands-on learning opportunities and interactive discussions. Esteemed faculty and leading experts from across India will share their insights, providing participants with valuable opportunities for professional networking and skill enhancement. We warmly welcome delegates to join us for this academic endeavour-to expand knowledge, exchange ideas, and advance clinical practice. Alongside the scientific sessions, participants can look forward to the warm hospitality our institution is known for.

With warm regards,
Organizing team.

PROGRAMME SCHEDULE

01st November 2025 (DAY-1)

TIME	TOPICS	SPEAKERS
8:00-9:00 AM	Registration	
Chairperson	Session 1: Reproductive medicine and IVF- 'Turning hope into life'	
9:00-9:25AM	Choosing the Right Ovulation Stimulation Protocol in IVF: Individualized strategies	
9:25-09:50 AM	Recurrent Implantation Failure - Practical algorithms for management	
09:50-10:15 AM	Improving implantation and reducing subjectivity : Future trends in AI-assisted IVF laboratories	
10:15-10:45 AM	Panel discussion	
10:45- 11:00 AM	Tea Break	
Chairperson	Session 2: Still birth prevention - 'Womb to world'	
11:00-11:30 AM	Future of Labour Room monitoring: POCUS and AI in predictive intrapartum management	
11:30-12:00 NOON	Balancing Risk of preterm vs Stillbirth: Evidences and Clinical recommendation	
12:00-12:30 PM	Non-invasive markers of placental health: Role of emerging technologies	
12:30-:01:00 PM	Keynote Address	
01:00 02:00 PM	Inauguration & Lunch	
Chairperson	Session 3: Critical & High Risk Obstetrics - 'Every decision counts , every moment matters'	
02:00-02:30 PM	Massive Transfusion Protocols and Viscoelastic Coagulation Testing in obstetrics	
02:30-03:00 PM	Sepsis in Pregnancy - Early Recognition and bundle care Saves life	
03:00-03:30 PM	Tele-Obstetrics for Rural and Underserved population: Emerging branch in antenatal care	
03:30-04:00 PM	Panel discussion	
04:00-05:00 PM	Hands on demonstration on Fetal Doppler Indices Cervical length/ Uterine Artery PI	
	Hands on demonstration on TEG machine	
	Hands on demonstration for Sono AVC/ AFC/ 3D pelvic scan Endometrial Receptivity	
7:00 PM onwards	Chairman's Dinner & Banquet	

PROGRAMME SCHEDULE

02nd November 2025 (DAY-2)

TIME	TOPICS	SPEAKERS
8:00-9:00 AM	Registration Session 4: Robotic surgery- 'Precision in motion, Excellence in care'	
Chairperson		
9:00-9:30 AM	Evolution of Robotic Surgery in Gynecology - From Concept to clinical practice	
9:30-10:00 AM	Understanding RoboticGynecology Surgery - global evidence trends	
10:00-10:30 AM	Interactive Demonstration: Live/Recorded Surgical Videos with Step-by-Step with Commentary	
10:30-11:00 AM	Tea Break Session 5: Cosmetic and Aesthetic Gynecology	
Chairperson

Chairperson		
02:00-02:30 PM	Approach to urinary incontinence in female	
02:30-03:00 PM	TVT vs Burch Colposuspension in SUI	
03:00-03:30 PM	Understanding Urodynamics	
03:30-04:30 PM	Hands on training with Co2 diode laser and Physiotherapy / BMD	
04:30-05:00 PM	Valedictory Function	

Glimpses of Bareilly

ABOUT THE INSTITUTE

Shri Ram Murti Smarak Institute of Medical Sciences, Bareilly, a mission conceptualised in year 2002 is the most modern 1200 bedded multi super speciality tertiary care hospital and a medical college, catering for health needs in a radius of 250 kms of Bareilly zone reaching up to farthest border towns of Uttarakhand and Nepal. The Medical College (recognized by Ministry of Health, Govt. of India and approved by NMC, New Delhi, offers Undergraduate (MBBS), Postgraduate courses in all departments along with super speciality courses in Neurology and in Neurosurgery.

The institute in twenty three years of its establishment has grown multi fold in terms of facilities, expertise and medical education. It is the only medical college among the self-funded ones to house one of the best medical technologies available in the country for diagnosis and intervention. Among them are 3 Tesla 48 channel MRI, 256 Slice Dual Source CT Scan, High Energy Linear Accelerator, HDR Brachytherapy along with 19 ultramodern fully equipped modular laminar flow OTs, SICU, ICU, ICCU, NICU, PICU, Cath lab with DSA and SSI Mantra Surgical Robotic system, supported by high tech computerized clinical labs and blood bank with component separation facility.

DEPARTMENT OF OBSTETRICS & GYNAECOLOGY

The department of Obstetrics and Gynaecology has been an integral part of this institute since its inception. We provide evidence-based treatment according to standard guidelines and cater as a tertiary care referral centre for wide area population in the Rohilkhand region. Our team of dedicated doctors handle life-threatening emergencies, unprecedented number of deliveries even in unearthly working hours with ease and expertise. We are one of the most active departments of this institute running specialized clinics in high-risk pregnancy, infertility, reproductive & IVF, endocrinology, family welfare, cosmetic & urogynaecology, gynaecological cancer and menopause under the able guidance of proficient obstetrician and gynaecologist, oncologist, fetal medicine & reproductive medicine specialist. Department is nodal centre for Regional Resource Training for doctors working in FRU/PHC/CHC and a secretariat for western UP chapter of Indian Fertility Society.
