Conference  
**Invitation**

Dear Colleagues,

I take immense pleasure in according my Invitation, on behalf of the Organizing committee, for the "Forensic DNA CON-2019 & Clinical Forensic Medicine Update" which is being organized by the Department of Forensic Medicine of Shri Ram Murli Smarak Institute of Medical Sciences, Bareilly, Uttar Pradesh From 30<sup>th</sup> to 31<sup>st</sup> August 2019. A CME / Symposium shall be conducted on day one ie on 29<sup>th</sup> August 2019 having the theme **"Negligence & Litigation in Medical Practice: A Growing & unending menace"**.

As we all are aware that MCI is rolling out new curriculum of Under Graduate & Post Graduate students. This is a welcome step which was long overdue. Its also known that in the new curriculum a lot of stress is being given to competency based learning & skill development. This conference has been planned keeping this in mind. We personally are of opinion that to make the students skillful, the teachers must be well acquainted in those skills and competency.

The theme for the conference is **"UNFOLDING THE MYSTERY OF CRIME & REVEALING THE TRUTH FOR JUSTICE & CLINICAL FORENSIC MEDICINE UPDATE"**. Workshop / Symposium will be held on collection & preservation of sample for DNA analysis from different case scenarios.

Clinical Forensic Medicine Experts will be talking about urgent need to start CFM unit in every Forensic Medicine Department & will provide the necessary guidance for the same . Hand on workshop will be held about different MLR writing, common mistake made by students, young faculty & their solution.

With a rich and diverse gathering, we expect to formulate a path ahead for the field of Forensic Medicine, and provide an opportunity for interactions of both academic and social demeanour.

I request your kind participation in this conference. Your participation and support will be highly valuable for making this mega event a grand success. We assure you best hospitality, cuisine, entertainment and above all an academically rewarding time which will make the memories of this conference a mesmerising experience for one and all.
