Adding new dimensions to healthcare in Bareilly

SRMS Institute of Medical Sciences (IMS), Bareilly, marked its 24th Foundation Day with a renewed commitment to healthcare, recently.

"The day began with offering a tribute to the late Ram Murti. There was also a puja performed along with a blood donation camp, highlighting the spirit of giving. There were also celebrations to mark my birthday," said Dev Murti, chairman of SRMS, adding, "The occasion also had some visionary announcements and the recognitions that reflect our values of service, education, and community care."

"I also announced and introduced the 'Hospital Aapke Dwaar Par' initiative, offering ICU care at patients' doorsteps, and declared that no ICU patient will be charged for bed and

nursing after 21 days. Urging future medicos to focus on preventive care, I called for innovation driven by compassion and responsibility," he added.

He further added, "Dr MS Butola, principal of SRMS, presented the institutional report, highlighting top recognitions like 5th rank in UP (excluding NCR) and 13th in North In-

dia in a research conducted by a media house and research organisation 2025, and 37th rank (government & private both) in a survey for the year 2025. Aditya Murti, director administration, praised the team's public service legacy and emphasized improving lives through a collective, integrated approach. He also spotlighted key milestones such as UP Govern-

ment recognition under Invest UP, new day-care chemotherapy centre, international-level ATLS course, CSR initiatives and CMEs, eco-friendly green campus practices, a 265-capacity hostel and mess for students and faculty etc."

The event concluded with awards to outstanding departments, students, and staff, along with a five-day minimally invasive surgery camp offering up to 50 percent discount, benefitting hundreds with a commitment to ethical, accessible care. "Our medical journal and magazine 'Connect 2025' was also unveiled during the occasion," he shared.
